September 1, 2009

To Whom It May Concern:

The Alamo Resource Conservation and Development Area (Alamo RC& D Area) working with the Natural Resources Conservation Service (NRCS) and in partnership with the Texas Mexico Border Coalition (TM-BC) and Texas Agri-Life Extension is sponsoring a Managing Wildlife during A Drought Workshop for the Devine Area and surrounding counties on Wednesday, October 7, 2009.

Our program will be technical and informative and will include experts in the area of Wildlife Management and related fields. We have experienced an increase in attendance from landowners and land-users every time we have a program. We are looking forward to another great crowd of participants.

We are now currently seeking 'Sponsors' for this educational event. Please consider being a part of this program. There are **three** types of Sponsorships: **Primary sponsors**, **\$150.00 sponsors** and **Door Prize Sponsors**.

**Primary Sponsors** are those underwriting the program and furnish meals, speakers, and beverages and as such receive credits on the agenda and other materials as well as being allowed the privileges of the \$150 sponsor.

As a **\$150 sponsor** you will receive:

- Your name, address, phone number, and contact person-hand out to all participants.
- Your name and phone number on our web site related to our program link. [www.alamorcd.org](http://www.alamorcd.org)
- A table for your exhibit or materials if you would like one (contact me as soon as possible so arrangements can be made).
- Exposure to landowners and land users who will use your services and products.
- Participants will pass by the exhibit tables several times as well as have breaks during the program to view exhibits.

**Door Prize Sponsors:** Should you donate a door prize(s)

- Your company name will go on a sign showing your commitment to what we do.
- Your name will be mentioned when those door prizes are awarded.
- Exposure to landowners and land users who will use your products.

If you would be interested in being a Sponsor for this event; **Please contact our office no later than September 18th** so we can confirm your Business information for our agenda and make arrangements for your exhibit and/or pick up the door prizes. The money goes to defray mailing cost, facility fees, sponsor signs, Hand outs and associated costs for programs of this magnitude.

Thank you for your assistance in promoting educational events for agriculture.

Sincerely,

Karen L. Opiela  
Chairperson
