Raise community awareness about the importance of youth having a positive outlet

Strong recreational and character building programs

Provide a safe multi use facility for youth and adults

Making Things Happen

Funded by:

Lower Colorado River Authority

Other Sponsors

The Seguin Activity Center is a dynamic, energetic community activity center serving the recreational and self-developmental needs of co-ed youth and adult participants from Seguin, Marion, Mc Queeney, Schertz, Cibolo, Clear Springs, New Braunfels, La Vernia, Spring Branch, San Antonio, Stockdale, Gonzales, Nixon, San Marcos and Kyle. The mission of the center is to provide youth participants with a supervised, nurturing environment that helps to develop respect, self-esteem, and cooperative social skills, adult participants with quality affordable recreational opportunities and the community with a multi-use facility available for individuals and organizations to conduct group activities and programs.

A \$25,000 grant was received from the Lower Colorado River Authority (LCRA) to complete a skate park area within the activity center.
